

KARESS™

SPECIALTY OVERLAMINATE FILM SETTING A NEW STANDARD IN THE WORLD OF LAMINATING FILMS

Karess™ is the most popular multi-sensual overlaminate, adding a dynamic tactile dimension to the allure of print. It feels as delicate as a rose petal, and as luscious as silk. Durable, scuff-resistant and ultra-matte, this laminate will protect and enhance premium prints and packaging products, giving them an expensive and luxurious feel. **Karess™** provides a vivid color clarity which surpasses that of any standard matte laminating film. Also available with an UltraGrip® adhesive for digitally printed projects.
